

Thank you for your interest in the First Annual 02F Festival: celebrating creative women in our community. The theme of this year's festival is Zero to Fierce: an opportunity to discover, inspire, and create.

The 02F Festival, which runs from March 2nd-11th, presents a week of fun, exciting, and provocative activities that will inspire our community to work, talk, and play together. We will kick off with a remount of the original play *Women of the Northwest* followed by a convivial symposium, a vocal improvisation workshop with renown singer Rhiannon, a wild cabaret, an interactive art installation, inspiring panel discussions on health, art, business, and activism, and more.

We have several roadmaps that will guide participants through the festival. They proceed along a chosen route following events that speak to Health and Self Care, Home and Family, the Environment, and Activism -- a roadmap from Zero to Fierce.

There are several ways that you and/or your organization can get involved.

- **CREATE AN EVENT**

You can put together an event: a simple get together, a workshop, a craft session, a how to, a talk, a performance featuring your community organization -- whatever appeals to you. We want to support your event and give you space to create it. Here is a link to an info form so we can best accommodate you!

- **VOLUNTEER**

You can volunteer to help out at any point before, during, and after the 10-day festival. Take tickets, box office, be a concessionaire, usher, help with setup and breakdown, crowd control, or just be a friendly face!

- **SHARE**

You can send information about the 02F Festival out to your organization and inspire your community attend events. If you know someone that should be involved, send them our way!
