

Humboldt County Allowable Services List

Last Updated April 8, 2020

The Humboldt County Sheriff's Office and the Joint Information Center are further clarifying business operations allowed under the updated Order of the Health Officer issued on March 30, 2020.

The following list specifies the types of businesses and industries that can continue to provide services and those that must cease operations per the current order. This order will remain in effect until rescinded.

Allowable businesses are expected to adhere to social distancing requirements laid out in the order. This is part of a continued effort to decrease transmission of COVID-19 among Humboldt County residents.
