

Smoke Outlook for 8/05 - 8/06
NW California - Red Salmon Complex
 Issued at: 2020-08-05 07:42 PDT

Fire

Moderate fire growth is expected over the next few days as favorable conditions allow firefighters to make continued progress building direct line on the Red Salmon Complex.

Smoke

The heaviest concentrations of smoke will remain in the immediate vicinity of the fire for the morning. In the afternoon, smoke will disperse to the east and southeast of the fire. High level haze may be visible at greater distances.

Other

Air quality may change unexpectedly. If you begin to notice health effects from smoke, you are encouraged to follow the "actions to protect yourself" listed below. Always remember, if you smell smoke you are breathing smoke.
